

Dental Health History/Questioner

Ancient philosophers felt that there were four driving forces in a person's life. Those were Comfort, Function, Appearance and Longevity. We have found over the years this also is true for our patients and their dental health. Please take a couple minutes and answer the following questions. Knowing this will help us help you address your goals and concerns for your dental health.

What is your main concern today? _____

Are you currently in any pain or discomfort? Y N

Describe: _____
